About Conclave

We are pleased to invite you to the 1st NUJS National Disability Rights Conclave, where there will be several panel discussions on Disability Law, featuring the participation of Hon'ble Justices of the Supreme Court of India, the Calcutta High Court, along with leading legal scholars, senior advocates, policymakers, and disability rights activists. This conversation will explore critical issues surrounding the interpretation and implementation of the Rights of Persons with Disabilities Act, 2016, the role of the judiciary in advancing disability rights, and the challenges that remain in achieving true inclusion and accessibility.

Some of the areas that the panellists will delve into are the social stigma surrounding the PwD community, the digital world and discussing the legal scope of "reasonable accommodation". Through this forum, we aim to foster meaningful dialogue on the legal, social, and institutional reforms needed to uphold the dignity and equality of persons with disabilities. Whether you are a legal professional, academic, civil society member, or policymaker, your presence and engagement will enrich the discussion. We would be honoured to have you join us for this impactful event.
